Response to Amendment

In amendment after final filed on September 29, 2008, applicant amended independent claims 1-3, 5, 13, 19 and 25 with claim 24 being cancelled. Applicant amended the claims by changing the claim limitation from 'instances' to 'copies'. In so doing, the scope of the claims were changed since 'instances' were not the same as 'copies'. Thus, this would warrant additional searching in order to continue further prosecution of the application as so amended.
